Dear Valued Customer,

Dell Canada has recently entered into an agreement with Stoneworks Technologies Inc. This new agreement authorizes Stoneworks to represent Dell's NMSO Enterprise Product Offerings to all Federal Government Customers. This strategic agreement combines the benefits of Dell's comprehensive Enterprise Product Suite which includes Dell Server, Storage, Software and Archiving products with the extensive Enterprise Solution experience of Stonework's Team. This partnership will expand and enhance Dell's and Stonework's ability to serve and support our important Federal Government Customers.

Stoneworks Technologies Inc. has been providing leading technology, services and support to both corporate and Government clientele across Canada. Stoneworks have established themselves as a trusted advisor to the clients they serve through an extensive understanding of the IT landscape paired with a services and support team that is second to none.

The team at Stoneworks consistently delivers an "end to end" level of service that is truly what sets us apart from the rest. Our goal is to provide each and every client the best customer service as efficiently and knowledgeably as possible.

Stoneworks Technologies....*"Intelligent Enterprise Solutions"*

Dell Inc. (NASDAQ: DELL) listens to customers and delivers innovative technology and services they trust and value. Dell is a leading global systems and services company and No. 34 on the Fortune 500. Headquartered in Toronto, Ontario, Dell Canada Inc. is a wholly owned subsidiary of Dell Inc. Dell Canada is among the leaders in desktop products, laptops, servers and storage, and has offices in Toronto, Ottawa and Montreal. Information about Dell Canada and its products can be found on the World Wide Web at www.dell.ca

It is our objective that through this agreement our customers will benefit from the strengths and expertise that our combined organizations will provide. Our mutual goal is to maximize customer satisfaction and value through the delivery of quality and reliable Enterprise Solutions.

For any inquiries regarding this please feel free to contact the undersigned below. We are looking forward to speaking with you soon.
